

Indoor windows from Thermory: Stylish, versatile, modern

Bring a touch of contemporary class to your interior spaces with Thermory's black indoor windows. Practical and easy on the eye in equal measure, the windows are available in two size options with black aspen frames and single-glazed tempered gray glass that offers shade and privacy. They are also suitable for use in damp environments, making them perfect for adding visual appeal to a home sauna or spa.

Black window 490 x 1890 mm
