

EOS Stone S25

Sauna heater for domestic and commercial saunas. Floor-standing model.

Exclusive sauna heater for the dry Finnish sauna in distinctive design with the massive soap-stone front. Thanks to the flat rear wall with the recessed terminal box this heater is great for installation in front of glass walls.

EOS Stone S25 can be alternatively selected also with the integrated vaporizer.

Your advantages:

- Exclusive design with the massive soap-stone front and anthracite pearl effect coated side panels.
- Durable, long-lasting construction, all made of stainless steel.
- Large 25 kg rock store for optimal heat storage and effective water evaporation.
- Also available with elegant matt black finish
- Slim, space-saving construction – only 40 x 38,5 cm size.
- Easy to service, rock store above heating elements.
- Made in Germany quality from EOS.
